Q What disadvantages would you face if your backbone is made up of just one long bone?

Ans If my backbone would be made up of one long bone, I would face many disadvantages like.

- I would meet a problem in bend and do stretch to relax the body.
- I won't be able to perform many ~~the~~ tasks that we can't do without bending.
- I will face problems in getting up from bed after a night.

- I won't fit in my car and drive home.
