

# Tom Sawyer

Tom Sawyer also known as Thomas Sawyer or Tom is a fictional character in a book by Mark Twain. The name of the book is "The Adventures of Tom Sawyer". Tom is a boy who hates to go to school and always wants to play and go to fish and swim in the river with his friends. He is an orphan. I think so, because a father's name never comes up with Tom and his mother is dead. So he is raised by Aunt Polly. He has a sister Mary and a brother named Sid. He was also friends with Joe Harper, Jim, Ben Rogers, Huckleberry Finn (Huck). And to mention "Becky". Becky is Tom's another ~~name~~ friend. Tom and Huck are after Red Joe or the Spaniard's Treasure as read in the story book.
