While William was there in the van, he was stuck there while he was resting for sometime after helping all morning. He was stuck in the van after everyone else loaded the piano in it. He shouted and angry that he got stuck there in the old van. He was wanting to get out. So in the process of getting out he broke ~~the~~ was angry for the mirror ~~to~~ as it got on his way. He finally got out but his shirt was torn from shoulder to bottom.
