Tercy Jackson was a
kid, he one day
fell in the dark pit.

Tercy Jackson was a
kid, he one day
fell in the dark pit.
He saw a shimmering
golden light, which
was looking very bright.
He then saw the
lightning ball, which
was looking very
cold. Then he shivered

with fright and
now thought that
grover was right.

There came monsters
on his way, but
always ~~there~~ ran away.

When Percy Jackson
opened Riptide, the
sea was going
wild with tides and
the monsters fled like
coward knights.
