

Oral Comprehension Check

- Q1. Where in the classroom does Wanda sit and why?
- Q2. Where does Wanda live? What kind of a place do you think it is?
- Q3. When and why do Peggy and Maddie notice Wanda's absence?
- Q4. What do you think "to have fun with her" means?

Answers :-

1. Wanda always sat on the seat next to the last seat, in the last row, in Room Thirteen. She used to sit there because her feet were normally caked with dry mud and very dirty. So, in order to avoid being laughed at by her classmates,

she always sits there to hide her dirty feet.

2. Wanda lives at Bogzini Heights. It appears that the place is far away from the school and there is a lot of deep mud in the area. This seems to suggest that it is a poor neighbourhood.

3. Peggy and Maddie noticed Wanda's absence after three days, that is on Wednesday. They finally noticed her absence when they got late for school because of Wanda. They waited for her in order to have some fun, but she did not turn up.

4. In this context, 'to have fun with her' means that Peggy and Maddie would have made fun of Wanda and teased her for their own pleasure.
