

Solve a story from Energizer Book worksheet

It was a sunny day when everyday busy in their works. At that a strange thing happened, I was sleeping on my bed. Suddenly woke up, suddenly found a guy ~~was~~ doing something on my laptop. I ran towards it, but suddenly vanished even the laptop was shut down. I have never shutdown my laptop so fast in my life. He ran away in my house through the window. I followed him ~~going~~ with a broom window ~~at~~ peace. In full ~~at~~ I went after it. He went through different messages. He thought about future. He could just term a talk to a flying car. He was a magician some one else. I don't even understand. who was even called magic

also, pulled are up in
the air handing me a
letter which wrote - "get
ready for the doomsday
this will start soon"

And after that I suddenly
waking and realised that
I was on my bed and
was dreaming But I
was an immense Experience
to Experience for me. But now
its Eight and I am
late for my school as
usual.
