Measures.

Dear Sir,

Through the columns of your newspaper, I would like to draw your kind attention towards the spreading of ~~fr~~ sanitary drought condition in our village through which villagers are suffering.

In our village there is spreading of ~~fr~~ sanitary condition drought condition for which people

are suffer. It has started due to no rainfall or no water falling on the land which is resulting to drought. There are very few cases of surviving of people and animals. There are no food are fodder to feed the animals. The people will die due to this state of situation. The people and cattle die due to less quantity of food. They will need food.

Therefore Sir I would like to ~~you~~ request to publish this concern of ~~your~~ village in your newspaper for drawing the attention of the authorities to solve our problem.

Yours Sincerely  
Rekha Chauhan.

Dear Ram,

I came to know your sickness when I made a call to you.

How are you? I hope my letter finds you at the peak of your health.

I came to know about your sickness when I made a call to your home. It is very sad for me to hear this. I also came to know that you are not able to come to school due to hospitalization. I pray to god that he makes you feel better soon and you recover soon. If you need any help just

write me, I will be there  
for you.

Get well soon!

I will surely come to  
meet you. Convey my greetings  
to uncle and aunt and love  
to elders.

Your Friend  
Santosh
