Ghost Rider Story

Years ago, motorcycle stuntman

Tony Blare sold his soul

to save the life of a loved one

Now, he transforms into a

fiery, avenging agent of justice

at night wherever evil grows

As the only one who can

walk in both worlds, Tony

is charged by Mephistopheles

himself to destroy Blackheart,

a demon that wants to overthrow

Mephistopheles and create a worse

hell than the one that currently

exists. The ghost rider was

found after 8 years by saint

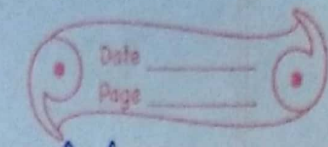

monk. He requested to save

a child and his mom. he

promised ghost rider that

he will make him normal

and remove his curse.

The villain comes and rescues his assistant carrygan and made him a devil that he wanted to rule over the world.

Through capturing that child and do a mythology with that child when he will be 13 years. The ~~ghost~~ ghost rider will now defeat the villain and his army to save the child then the story
