Description of the event

Date.....

One day I had gone to my friend, Tarun's home to attend his birthday party. I returned home late, and forgot to do my homework. Next day when mam asked me to submit me the assignment, I replied that I could not do my homework because I had gone to my friend's home to attend his birthday party. I have decided to tell the truth, instead of copying down the assignment from other student's notebook. The mam was impressed on my honest reply and asked me to submit home work on next day.
