

Saisanthak - Roud

- What are natural things?
- Things given to us by the nature are called natural things. They are not made by humans. Like animals, rocks, the sun, stars etc.
- What are man-made things?
- Ans: - Things made by humans are called man-made things.
Ex - Car, aeroplane, buildings, roads etc.
- What are living things?
Those things move on their own that are living things. Ex - plant, animal and man.
