Providing Extra Classes For Maths

Sir,

With due respect, I beg to state that I Sai Sworaj Swain, am a student of class VI of your school. Our examination coming near but our Maths syllabus is not completed yet. Therefore we need some extra classes for maths for completing our syllabus.

It will be helpful for us to complete our syllabus if you kindly provide us with some extra classes for Maths after school hours.

Thanking you!

Yours faithfully,

Sai & Sworaj Swain
