Dear Dad,

I am very sure that you didn't forget our trip to Yangtok, when I was 8. It was a fabulous place. It was totally different from the polluted environment here. I again want to go to a hill station like Yangtok.

My three friends have planned to visit Dalhousie. They have invited me too. It is really a beautiful hill station. It is a two-day programme. They have booked rooms in a 5-star hotel. They have also planned to visit some tourist places. I am very keen to join them.

I request you to allow me to explore a new place. I am really ~~am~~ excited for the trip.

Yours lovingly
Isha
