## Homework

Q) write a paragraph on the topic 'raining season' in 100 words.

Ans) I like the raining season the most. It ~~is~~ is my favorite and best season of all the four seasons. It comes after the summer season, a very very hot season of the year. I get very restless in the summer season due to too much heat, hot air and skin problems. However, with the onset of the raining season, all the problems<sup>ms</sup> go away.

The raining season comes in the month of July.

and lasts for three months. It is a lucky season for all and everyone loves and enjoys it. In this season I get ~~to~~ ~~to~~ to eat hot food and drinks. I ~~to~~ wait for for this season every year.
