Q1} Sumit: Rajeer do you watch (is watching/
watch) football?

Neetu: Of course, Ronaldo has always
been my favorite player! Don't tell
me you like (like/are liking) Messi
more!

Sumit: Sorry, but I do! He is playing
(plays/is playing) so well in the
league right now. You cannot deny
that he stands (stands/is standing) among the

best forwards in the history of football. Surely, there must be some reason why people are calling (call / is calling) him 'Messi'.

Neetu: But unlike Messi, Ronaldo is (is being / is) strong on both his left and right foot. Let's not forget that Messi has not been able to win the World Cup for Argentina!

~~Do~~ Sumit: Do (do / do) you think (think / thinking) that make (is making / makes) him less of a player? 🤔

After all, it's not an individual sport and the blame should be on the entire team.

Next: I agree (am agreeing / agree).

Let's not argue further. I think
(think / am thinking) both of them are
great players and have contributed a
lot to the game.
