Dear Ram,

Hope you are hale and hearty, fit and fine, ~~my~~ letter finds you in the pink of your health. I got your letter. You wanted to know about the new book which I bought ago.

In this period of pandemic, I didn't have any work so, I decided to put on my habit of reading books. After one to two weeks of watching book reviews. I decided to buy the book 'LIMITLESS'. It is such a nice book that it can ~~help a~~ ^{help a} ~~person~~ ~~to~~ realize the power of his brain. This book is a type of tutorial for those who want to increase their productivity. This book is for the people who think they can't do anything. This will help them to unleash their brain power. According to my opinion you should read it. It will change your way of thinking.
Give my regards to uncle and aunt

Yours Lovingly
Sandeep
