

Narrate how Armond Aubigny behaved after she suspected ~~him~~ being a black woman

An Armond Aubigny" described as dark, handsome face. When the baby was about three months old when he suspects that his son ~~is~~ here a black ancestry. ~~He~~ there a

sudden change in his behavior. He spoke to Desiree with averted eyes from which the love light has gone. He then absented himself from home and also avoided Desiree's and her baby's presence. The writer also adds that the spirit of Satan seemed suddenly to take hold of him in his dealings with the slaves.
