Q. Narrate 'how armand Aubigny behaved after he suspected desiree being a black woman. (40 words)

Ans ⇒ It had only been a disgusting suggestion; an air of mystery among the blacks; unexpected visits from far-off neighbours who could hardly account for their coming. Strange, an awful change in her husband's manner, which she dared not to ask him to explain. When he spoke to her, it was with averted eyes, from which the old love-light seemed to have gone out. He absented himself from home; and when there, avoided her presence and that of her child without excuse. And the very spirit of satan seemed suddenly to take hold of him in his dealings with the slaves. Desiree was miserable enough to die.
