Theme of the Poem

"It Couldn't Be Done" by Edgar Guest discusses the importance of perseverance and self-reliance in a world filled with negativity. The poem includes imagery, symbolism, connotation, form, and sound devices to contribute to the overall topic of motivation.

The poem is about doing the things that have never been done before and the things that people say you could not do. In the poem, "somebody" says to the poet that "it" could not be done but the poet did not reply by making that thing done.
