1) Some people conclude that politics and social divisions should not be allowed to mix. Support this idea with arguments.

Ans The statement is true because if we observe social division & politics together at first sight -  
★ It would appear that the combination of politics & social division is very explosive & dangerous.

★ Democracy involves competition among various political units / parties. If they start competing on terms of some existing social divisions it can make social division into political divisions and lead to conflict, violence or

even disintegration of a country.

- In the case of Northern Ireland this region of the United Kingdom has been for many years the site of violent and bitter conflict.
