

1. Describe the features of Stalin's collectivisation Programme.

The features of Stalin's collectivisation programme were -

- Speculation to be stopped.
- 1928 supervision of Kulaks
- Farm collectivisation and modernisation.
- For modernising farms, 'Kulaks' to be eliminated in order to establish state-controlled farms.
- 1929 Collective farms (Kolkhoz) became more prominent.
- Profit of Kolkhoz was shared.
- Those who resisted collectivisation were severely punished.
