Dear Diary,

I got up very early today and started my day with a glass of water. I bathed before waking the kids up. I had Ankit prepare breakfast while I helped the kids get ready for school. We usually get my dad to drop them at school; but since he was not feeling well today, I dropped them on my way to work. At work, I had the new interns prepare the presentation for an important meeting. Before the lunch break, I got Srishti to order lunch for the entire team to celebrate her recent promotion. Then, my manager let me take the afternoon off since I had worked overtime last Saturday. I went home and spent the day with my family. We watched a movie and had biryani for dinner.
