How you have planned to spend your Puja vacation.

Vacation is my favourite time of the year. As corona 3rd wave is slowly showing its affect on children, so I have decided to stay at home and to do new activities. My favourite hobby is art, so I will do my art practise. I love doing puzzles and gardening also. As I am at home I can do

my studies for my
upcoming exam. As we
all have to stay at home
due to corona situation
I pray Goddess Durga to
give us strength to
overcome the situation,
so that we all can enjoy
our next vacation with
family and friends.
