Durga puja is celebrated in every part of India with great fun and happiness.

Every year I celebrate Durga puja with my friends and family. Though this Covid year, as safety is my first priority, I didn't prefer going out much. I will keep it safe, quick and precise. Firstly in the morning after waking up, I will take shower, wear my new dress and take the

blessings of my elders. Then I will go to the temple and offer puspanjali to the goddess. After returning from temple, I will eat tasty foods prepared by my mother like Poda Pitha, Chenapoda. Then I will go to my neighbourhood and play with my friends. In the evening I will visit near by puja pandit. I hope the next Durga puja arrives to cure this disease and we will celebrate the puja

as before.
