The wheel is often described as the most important invention of all time. It had a fundamental impact on transport and later on agriculture & industry.

Around 4000 BCE the ice which had covered large part of paleolithic and mesolithic age started to melt. The warmer climate encouraged the spread of plants and animals to previously the spread of plant and animals.

They are built underground with stones. Thus the pit houses protected people from cold weather.

Within the citadel at Mohenjodaro, archeologists found a structure that they called the Great Bath.

This was a rectangular tank made of fired bricks closely fitted together.

This tank was made waterproof by a 3 cm thick layer of bitumen. Flight of steps from opposite sides led to the bottom of the tank.

There were several rooms along the other two sides of the tank.

In one of the rooms there was a large well, from which water was supplied to the tank.

18. The most striking feature of the Indus civilisation was the well-planned city.

- Most of our knowledge of the Indus civilisation is based on excavations at Mohenjodaro and Harappa.
- It was divided into two parts. One platform constructive of baked brick.
- Archeologists call this area the citadel or acropolis.
- The lower part of the city consisted of the houses of the common people.

19. Their diet mainly consists of wheat, barley. Their dress consisted of loin cloth of men's wrap, skirts and shoulder shawls for women. Hand is made of cloth of wood and made of cotton and mohlen yarn. Popular ornament was a hammered gold that would have been worn around the forehead.

Q6. Agriculture lead to advancement in lifestyles: As agriculture change from the natural environment such as picking with berries, to that tilled fields and pastures growing crops became a sedentary process.

Map Works:-

1. - Burzahom (Jammu & Kashmir)

2. Harrappa (Pakistan)

3. Mehgarh (Pakistan)

4. Mohenjodharo (Pakistan)

5. Rupar

6. Rakhigarhi

7. Alamgirpur

8. Ropar (Kalibangan)

9. Lothal (gujarat)

10. Bholavira (gujarat)

11. Bisauli (uttar pradesh)

12. Lekhania (Jharkhand)

13. Kuchal (Odisha)
