Some day I was visited in Meghalaya.

This state receives the heaviest rain fall in the country. Shillong is the capital of the

Meghalaya. About one-third of the state is covered with the forests. The main occupation

is agriculture they grow sugarcane,

potatoes, pineapples and oranges. Shillong is

a popular hill-station. I was visited so many

places in Meghalaya. Shillong view-point

is located near air-force station. I was

visited root-cannel beach, Elephant fall,

maulinang village and seven-sister Falls.

Maulinang village is the cleanest village in Asia
