

Revision - 3

1) Which of the following is responsible for the variation in the colour of soil in different parts in of india

ans → a) difference in rock formations

2) Which of the following has not been a factor in the creation of india's relief features

ans → b) population density

~~4) According to the theory~~

3) Which of the following is a plausible theory present by earth scientist to explain the formation of continent & oceans and the various land formation forms?

ans → b) theory of plate tectonics

4) According to the "theory of plate tectonics" the earth's crust is formed of how many major plates?

ans → c) seven

5) According to the "Theory of plate tectonics" the movement of the plates result in some geological activity. which one of the following is not such a geological activity?

ans → d) glaciation

6) According to the theory of plates tectonic, when some plates come towards each other, which of the following is formed

ans → a) convergent boundary

7) According to the "theory of plate tectonic" when the plates move away which of the follow is formed

ⓐ divergent boundary

8) According to the "theory of plate tectonic" in the event of two plates coming together which of the following is not possible?

ans → c) the plates may form a divergent boundary

9) d) all of above

10) island

11) c) the peninsular plateau

12) b) gondwanaland

13) c) europe

14) a) the gondwanaland split into a number of
plateau

15) b) northern plains

16) the himalayas

17) a) c) the peninsular plateau

18) a) the himalayan mountain

19) c) the himalayas

20) a) The Himalayas

21) a) The Himadri

22) a) Great Himalayas or Himadri

23) b) Karachoram

24) c) ~~Khyber~~ Khyber Pass

25) b) Himachal

26) d) Karakoram

27) b) The Himachal

28) c) The Shivaliks

29) d) Puris

30) b) Kumaon Himalayas

31) b) Javadi hills & Sheshay hills

32) d) Salundul

33) b) pass

34) b) local

35) b) both (A) and (R) are ~~the~~ true but R is not correct explanation of A

36) a) mizoram

37) d) eight jumps

38) a) both A and R are true in the correct explanation of A

39) b) Both A and R are true but R is not correct explanation of A

40) c) IST, ^{bhutan, meghalaya} ~~buthan, mizoram~~, gulf of mannar

41) d) duns
