## Homework

### Method of communication

### Verbal communication

It's a type of communication (orally) wherein the message is transmitted through the spoken words.

### Nonverbal communication

It is the transportation of messages or signals through a non verbal platform such as eye contact, facial expression, gesture, posture and body lang.

### Communication cycle

Communication is one of the most vital elements of society. People need people, to interact, it's essential they be able to convey messages and understand each other. The communication cycle express how the ~~system~~ system of conveying and understanding messages operates.

⇒ Requesting clarification of elements of a message is a part of good feedback phase of communication cycle.  
- Feedback should not be only negative though. Positive responses to a sender's ~~to be an~~ ~~more effective~~ ~~communicator~~ clarity, thoroughness, or other good qualities are always imp and appreciated and help the sender to be an even more effective communicator in the future.

Writing skills:-

Parts of speech:- There are 8 parts of speech in the English language: noun, pronoun, verb, adjective, adverb, preposition, conjunction, interjection.  
The parts of speech indicates how the word functions in meaning as well as grammatical with the sentence.
