## Ju's Story

Ju is a young girl who lives with her mother. Her father was killed in a tragic accident a few years ago. Her mother is a domestic help and so, many of the things that Ju uses — textbooks, schoolbag, lunch box and umbrella — are second-hand. However, Ju looked after all her things well and is a cheerful and practical girl. Read on to find out more about her.

One day, Ju was surprised when an old lady she knew stopped her in the street, calling out to her, "Lisie!" The old lady had mistaken Ju for her granddaughter. When she found out it was Ju, she hugged her and said happily, "Of course! Of course! My eyesight isn't what it used to be. You're Madhu's daughter. You look so much like my granddaughter Lisie in that dress!"
