### B. Short/long Answer Questions.

1. what is measurement? How is a measurement expressed?

Ans:- We all make measurements in our daily life. For example, when we give a certain piece of cloth to the tailor for stitching a trouser, he takes the measurement for length of our trouser with his measuring tape.

The peon in the school had to ring the bell after each period.

3. Name the basic measurements in our daily life.

Ans:- Water, Scale and thermometer.
