Dear Diary,

Today I had the bitterest experience of my life. I had my school test today. The subject which I had prepared for was English. As you know I love English, I was very confident for my test & I was sure to be the topper. Unfortunately when I went to school ~~the~~ it ~~test~~ was the Social Science test. I had nearly got a shock, being very confused what to do!! I appeared the test with a great but no idea what the results are going to say. I will never forget this experience

in my life.
