Sub: Reckless driving

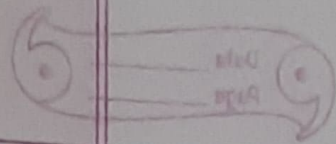

Sir,

Through the columns of your esteemed newspaper, I wish to draw the attention of the concerned authorities & the general public towards the issue of more & more cases of reckless driving everyday.

Reckless driving has become the order of the day.

So many accidents take place everyday on the city roads. Drivers play with the lives of children & old men. Young boys feel the thrill of speed.

They do not observe traffic rules. They take pride in overtaking other vehicles & going against light at the crossing. All the results in fatal accident. Traffic rules must be

observed. Under aged drivers & those driving without license should be punished. A reckless driver who speeds away after knocking down a person should be forced to spend at least one year in the prison cell, after being caught by the police. The syllabus of each class must contain one chapter on traffic rules.

The problem can be easily dealt with spreading awareness about the issue as much as possible & also by taking timely action.

Hence, I wish the authorities make a note of the situation & act upon it immediately.

Thanking you
Yours sincerely
Shreya Das
