

## HOME WORK

① What do you mean by collective identity?

Ans - Collective ~~and~~ identity refers to the shared definition of a group that derives from its members common interests, experiences & solidarities.

2) How collective identity helps us in maintaining peace in our country?

Ans i) Start by connecting with friends.

Family partners & neighbours.

Focus on dealing with any disharmony in your life in a generous.

Compassionate way of giving back to people in your community.

3. India is a land of diversity, explain?

Ans - India is a democratic republic state & the Constitution is the supreme law of the land by which the elected government derives power.

India is a vast & diversified nation. It harbours various cultures, traditions, religions, castes, languages, races & other groups. The conflict among the different community of people can never be removed but they can be accommodated. In India the constitution ensures equal participation of all people irrespective of differences.
