

~~oil~~ - Fertile oil formed in the desert by underground water that comes to the surface is called an oasis.

Write five lines on the topic, "A world without oil" in a notebook.

Without oil we would not be able to do much things every thing will be hard for us.

We would not be able to transport because there would not ~~be~~ ~~able~~ to ~~transport~~ any oil.

Oil is used for nearly every thing for plastics, fuels, wax, road surfaces and lubricants.

Without oil we can't brush our teeth because our toothpaste is petroleum.

made of nylon

Things would not be possible with petroleum ~~based~~ based products like gases, clothes, phones, ~~television~~ television, pens, utensils, ~~on~~ plastic bags and much more
