Dear Diary,

I got up very early today and started my day with a glass of water. I bathed before waking the kids up. I had Ankit <u>prepare breakfast</u> while I helped the kids get <u>ready</u> for school. We usually get my dad to <u>drop them at school;</u> but since he was not feeling well today, I dropped them on my way to work. At work, I had the new interns <u>prepare the presentation</u> for an important meeting. Before the lunch break, I got Srishti to <u>order lunch</u> for the entire team to celebrate her recent promotion. Then, my manager let <u>me take the afternoon off</u> since I had worked overtime last Saturday. I went home and spent the day with my family. We watched a movie and had biryani for dinner.
