

➤ HOME ASSIGNMENT

1. Define the term election?

A mechanism in ~~which~~ which people choose their ~~respo~~ representatives at regular intervals and change them if they wish to do so. This process is called election.

2. What makes election democratic?

Some conditions of a democratic election are:-

➤ Everyone should be able to choose. This means that everyone should have one vote and every vote should have equal value.

➤ There should be something to choose from. Parties and candidates should be free to contest elections and should offer some real choice to the voters.

The choice should be offered at regular intervals. Elections must be held regularly after every

get elected.

- Elections should be conducted in a ~~more~~ free and fair manner where people can choose as they really wish.
