Dear Diary,

Today I had the bitterest experience of my life. I never had such an awful experience in my life. I had gone to Agra for an urgent work. Unfortunately, I missed my morning bus. I had to wait for an hour to get the ticket for another bus. I waited for one and a half hours at the bus stop to get into the another bus. It was much crowded. People were pushing each other. Luggage was falling over people. The

bus was more than full to its capacity. I somehow managed to get some space for myself. It was really difficult to even breathe for me. Everyone was sweating. That day recorded the highest temperature of the month. This critical weather became a factor of being exhausted and this lowered my energy. However, facing the situation, after the journey of 2 hours, I came out of the bus and took a sigh of relief.

I will never forget this journey in my life.

Good Night!

Dear Diary,

My joy knows no bounds today it is my birthday and my father has given me a portable laptop as a gift. It is like a dream come true as

I wanted to possess one for a long time. It was in my bucket list that I wanted to have a laptop with colourful keyboard as I have watched in Television. I can't thank my father enough for the gift that he has given. Now, I can communicate with people through email and even chat with my friends. I can play games during my leisure time. Although, it is a small thing it holds the entire world. Internet today can make us global. So, it has great relevance in today's world. I love my father ~~from~~ very much!!

Dear Diary,

Today was quite a difficult day for me. I had to face a shocking reality that blew my mind.

Yesterday, while setting the school bag, I by mistake-  
-akenly checked Wednesday's time table instead  
of Tuesday. According to Wednesday, I prepared  
for the English Test. On reaching school, while  
chewing the food <sup>about</sup> of exams and homeworks, I came  
to know that today was Tuesday and we had  
our Social Science Test in the 2nd period. My  
eyes became big and my jaw dropped after listening  
the reality. But fortunately, however I had not  
took my social science <sup>copy</sup> book out of my book bag  
and also I remembered <sup>some</sup> of the text as I had read  
that chapter ~~before~~ 1 or 2 days before. So that  
was an advantage which ~~raise~~ <sup>exhilarated</sup> my confidence.  
~~I appeared in the test~~. I was narrowly  
survived. I appeared in the test. I scored 15  
out of 20 marks as that was an easy chap-  
-ter. Literally it was a <sup>surprise</sup> ~~surprise~~ test for me.

Bye!!

Rohini
