## HOME ASSIGNMENT

Dear 15<sup>th</sup> July 2021  
@ 10:30 pm.

Dear Diary

Returning to home after playing when saw a old woman, was having her meal, tray filled with palm full of cooked rice. I was unable to control my tolerance. So, immediately reached home and packed some food for her that lady. When reached that place, saw that she was chanting constantly. So, I didn't ~~allow~~ create any disturbances and waited till her response.

She brought a smile on her face when she saw me and asked the reason for being there. I without uttering, offered her the food with a shawl but she denied to receive. So, I asked her to brief these refusals where she ~~protest~~ protested that she was belonging to a family, where she didn't suit to her husband and lacked proper maintenance. For this ill treatment, she left him and began surviving alone with austerities in order to ~~receiv~~ receive salvation. ~~Often~~ She often delivered that ~~were~~ the world's ~~proper~~ properties and ~~acti~~ activities doesn't captivate her do not captivate her. These brought tears on my eyes. So I felt that, met ~~god~~ god in the form of that lady, who taught ~~no~~ that

not to generate actions against somebody  
though they maltreat ~~me~~ but could refuse  
them by departing.

Smity.
