CHAPTER-5
NATIONALISM IN INDIA

Q1⟩ How did the Sense of collective belonging developed in India ?

Ans* The Sense of collective belonging came partly through united Struggles.

* But there was also a variety of cultural process through which nationalism captured people's imagination.
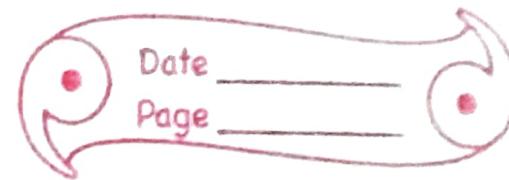

↳ **FOLKERS**

* Ideas of Indian nationalism also developed through a movement to revive folksers. In the mid 19th century, Indian nationalist began recording folk songs Sung by bards and they toward villages to gather tales and folk songs.

* These tales they belived, gave a true pic of traditional culture that had been corrupted and damaged by outside forces.

↳ **Icons And Symbols**

* The identity of image is most often Symbolised as a figure.

* It was first created by Bankim chandra chattopadhyay

11) Moved by Swadeshi movement, Rabindranath Tagore pointed his famous Image.
