## 4. Describe the playground of your school.

### HINTS

- the playground of our school located at the back of school building
- quite big, properly fenced
- divided into different sections, each devoted to a particular game
- viewer galleries
- trees, well laid-out lawns

### Space for Answer

Not only education physical activities are also most important. So our school has a playground for this type of activities, it is located at the back of school building, it is quite big and properly fenced. Students have an interest in different games, so our playground is divided into different sections. When the tournament were held, the parents of players can see their game from viewer galleries. Near to the fence there are many types of trees and the lawns were well laid out.

## 5. Describe a mobile phone you have recently purchased.

### HINTS

- brand name
- shape, size, colour
- various features
- utility

### Space for Answer

For this pandemic situation, government has decided that the education will continue in online mode, so I have bought a new

phone, POCO M2 Pro 5G, it has various features like a wide screen, 64MP mega pixels camera, A high battery backup, and anti-bang systems. It is 7cm length and 4cm broad, and blue color with five years warranty.

6. Describe a piece of furniture recently purchased by you.

#### HINTS

- a seven-seater sofa set recently purchased
- made of teak wood, beautifully engraved
- the main sofa, consists of 3 seats + 2 pieces of 2 seats each
- sky-colour velvet cloth
- cost about ₹ 50,000

#### Space for Answer

For our comfort we have a seven-seater sofa set, which is so luxury. And it made of teak wood, and beautifully engraved. It is divided as - the main sofa consists of 3 seats + 2 pieces of 2 seats each, it covers the half of area of Hall of our house. It is so soft that I can use it to get sleep for some time in it. Its appearance in hall is so nice as it is sky-colour and the cloth used in it is velvet. As the sofa is so luxury so its price also expensive, its worth cost is ₹ 50,000.
