Dear Diary,

~~My~~ My life has been different from Kezia. Kezia was afraid of her father, but I don't get scared of my father. My father is very loving and caring. He is so sensitive that he cries sometimes because I live in Bhubaneswar. He fulfills all my wishes and I don't need to tell that second time.

I love the cooked food by him. Each and every dish, he cooks with a special technique. Even if, he is a doctor, but he does all the work. ~~He~~ When I go to my father's house, he massages my legs and I feel very happy.

My perception for my parents is always same. I loved them from my childhood and till date. But sometimes, some circumstances make me angry, because they show their possessiveness which I don't like. "Don't do this, Don't do that" is my mother's favourite dialogue.

My parents are changed in some extent. ~~So~~ They are getting filled with possessiveness my mother always check my cell phone, but father don't ask anything.

Both are understanding and polite too. They tell me things straight forwardly, even if it would scater me.

A relationship based on understanding must have 3 things :-

- i) Trust
- ii) polite
- iii) free and frank.

I trust my parents but sometimes, my parents detest their trust. I am polite and my parents too. I am very free and frank and share each and everything with my parents. But, now at this age, its not the right time to share everything, so I am not sharing everything any more.
