Life in the village is very calm and pleasant. Most of the Indian villagers are hard workers. They work hard in ~~villages~~ fields. Most In villages, most of the houses are made of mud. People of different occupation live ~~here~~ in village. There are farmers, potters, oilman, barbers, milkman and other classes of people in it. We find schools, colleges, hospitals etc in villages. The real life of the country lies in our villages. So our government is giving much emphasis on our villages welfare. The Indian villagers nowadays enjoy good road, electricity etc. The panchayati raj system has introduced to bring about an improvement in the villages life.
