My favorite pet is my sincere, ~~best~~ faithful, kind ~~dog~~ ~~pet~~ dog Rocky is the name of my lovely dog. It is four legged animal. It has two bright eyes. It has two ears, sharp teeth and a small tail. It is my best friend and a faithful animal. It has a sharp mind and a strong sense of hearing and smelling things. To keep Rocky happy and healthy I give his favourite food milk and fresh meat. My dog never harms anyone and always loves and respects me as its master. My dog can also swim in water. It protects my house, my family and myself when I am alone. In every morning Rocky wakes me up and we both go for a little walk. I really enjoy the sincerity, devotion and kindness. He is the best ever friend of mine. I love my dog very much.
