

went into a tizzy to know that the dog's owner stayed 7 miles in the oppo-
site direction. He also could not report his car stolen as he was
driving a same type of black car and feared the police might tar-
him. Of the contrary, all his apprehensions came to naught
after he found the farm ^{over} very jowly and served
him two cups of coffee. The narrator returned to normalcy
after he discovered that he was driving his car and his one
was not stolen.
