

## Grit Going

- A-1- When you tempted and sorely swayed it is tough to obey rigid orders.
- 2- One should not boast about their courage to others because it is easy enough to retain a grin in the face of a fight there's a chance to win.
- 3- The best way to test if you have grit is just pick out a job that you like, and quit.
- 4- The toughest kind of game is to make your body obey your mind.
