HOME ASSIGNMENT

Date 15/11/24

Page 33

1- What do you mean by the term Nationalism?

A- Nationalism is a feeling of pride in one's country. It also refers to the desire for freedom, felt by people under foreign domination, as in the case of pre-independent India.

2- When and by whom Indian National Congress was founded?

A- The Indian National Congress is founded by Allan Octavius Hume in 1885.
