Exercise 4(c)

5. 1,26,844 people saw a magic show on Saturday and 3,52,188 people saw it on Sunday. Find the total numbers of people who saw the magic show on these two days.

Ans- No. of people saw a magic on Saturday = 1,26,844

No. of people saw a magic on Sunday = +3,52,188
4,79,032

Total no. of people who saw the magic show on these two days = 4,79,032
