

## disadvantages of social media on children

Jiban roy (Journalist)

Every coin has two sides. Whenever there comes the point of advantages, disadvantages also come. So the disadvantages are:

One of the major disadvantages of using social networking websites are ~~children~~ children get addicted to it. They spend their valuable time in social networking sites and degrades ~~in~~ the student's academic performance. Some student also use the social networking sites till ~~midnight~~ night and lead some health problems.

Discussing social media as a time killer, nowadays people

Real world and are more  
interested in virtual world. so  
come out virtual world and  
real world to live peacefully  
with your family members takes  
some time.
