

Necessity Of Internet In Present Situations :->

- *> We can search a lots of information by using internet.
- *> We can see movies, play game and listen music by using internet.
- *> With the help of internet we can edit photos and videos. etc.
- *> Internet makes us more closer with our friends and relatives than before. For examples we can make video calls whatsapp, google duo
- *> We can send and receive E-mail by internet.
- *> Apart from above points, now-a-days in this pandemic internet plays a vital role for students. We can do our classes, activity classes, assignments exams, Creative urges, virtual tours, Virtual programs, Virtual summer camps

p only by sitting in our houses
with the help of internet.
