

Write five lines on the topic,

A world without oil. ~~it~~

- As oil prices keep increasing many are looking to a future without oil.
- It is hoped if ~~it~~^{oil} prices keep rising, alternatives will be developed and this will enable a smooth transition.
- Already, car manufacturers have cars which run on hydrogen, natural gas, even solar panel.
- We need oil in cooking.

World without oil is life

main without petrol, which runs

or solar battery.
