1. Where in the classroom does Wanda sit  
Monday and why?

Wanda sits in the seat next to the last seat in the last row in Room Thirteen. She sits there because her feet are normally caked with dry mud and that corner of the classroom is usually dirty with mud.

2. Where does Wanda live? What kind of a place do you think it is?

Wanda lived at Doggins Heights. It appears that her place is far away from the school and there is a lot of dry mud in the area. It reflects that it was not a very rich locality.

3. When and why do Peggy and Maddie notice Wanda's absence?

Peggy and Maddie noticed Wanda's absence after three days, i.e., on Wednesday. They finally noticed her absence when they got late for school because of Wanda. They waited for her in order to have some fun, but she did not turn up.
